ABOUT DREAM KITCHENS

Dream kitchens sits among India's top 10 Luxury Modular Furniture. Within twenty years of its establishment, Dream kitchens has come to be known as one of the biggest specialist in designing kitchens, homes, hotels, cafés, and offices. We have unfailingly provided each of our clients with modern, elegant, and classic designs in these twenty years.

Team

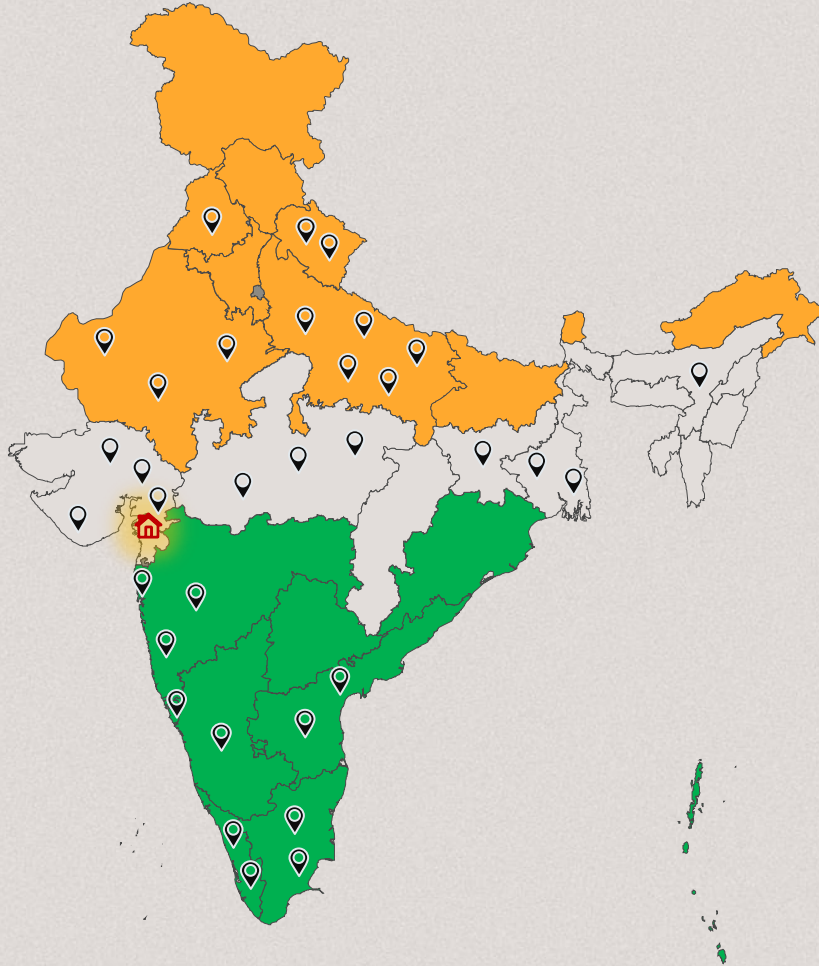

Throw us into the most ordinary and boring place, and we will make it the most desirable place around. That's the promise team Dream kitchens makes to each of its client. And we have case studies to prove that our experts actually transformed all kinds of homes and workplaces into enviably stunning spaces. The team consists of industry experts and seasoned designers who have passionately pursued kitchen designing through their career. The accuracy with which they chalk out a striking design plan suiting your budget is amazing.

About us

The quest for an enhanced quality of life define the pulse of this company, where craft, skills and values combine with cutting-edge technology and where design and attention to detail meet to create something truly special, unique and timeless. It is an idea that defines the company as a producer, built on a foundation of tradition, culture, creativity and innovation.

Company Timeline

Since **1998**

“ Trendsetter in launching Innovative products for the Indian consumer market ”

25 + Years of glory

Potential

Production Capacity

Every Month 1,50,000 Sq./ft of kitchen & furniture panel is produced, packed and shipped pan India to our extensive 750+ dealer, 57+ franchise network and export as well. This efficiency is achieved in just a single shift batch of production using the state-of-the-art German machinery.

Passionate about fresh, elegant modernity ourselves, we are well placed to design your kitchen featuring the very latest in modern kitchen design.
